Councillor J M Holmes gave a resume of what was discussed at the Finance Sub-Committee meeting held on Wednesday 9 December 2009. The following report was discussed in detail. A number of items were queried and clarified satisfactorily by the Parish Clerk and the Administrative Assistant.

Purchase/Maintenance of Equipment: increased by £500 on 2009/10 budget to £2,000 to allow for the new maintenance contract with Alpha Heating amounting to £739 for the servicing and maintenance of the three heating boilers and the two kitchen gas cookers.

Clay Cross Parish Council Newsletters and Annual Report: budget reduced from £4,000 to £2,500. It was agreed to approach Operation Relentless to distribute next years Annual Report.

Citizens Advice Bureau: Councillor D Skinner spoke against the proposed reduction in the payment to the Citizens Advice Bureau from £7,923 to £4,000. Councillor J Holmes confirmed that North East Derbyshire District Council were also proposing to reduce their payment.

DCC Footpath Maintenance: zero budgeted from £2,000. Councillor Skinner spoke against the decision to reduce this budget to zero. **The Parish Clerk explained that although the budget was being reduced to zero for Precept purposes, money could be taken out of balances if required.**

Cenotaph Cleaning/Maintenance: to remain the same at £250. **The Administrative Assistant explained that the proposed refurbishment programme of the Cenotaph at Danesmoor is to be the subject of a grant application funded to 50% with the match funding to come from existing balances.**

OAP TV Licences: reduced from £8,000 to £5,500. It was felt that this would be sufficient based on 2009/10 expenditure to date. The possibility of extending the scheme from 1 April 2010 to all Parish residents aged 60 on application was discussed.

Hanging Baskets: budgeted at £8,539 in line with the recently received quote from Plantscape. This is no increase on the 2009/10 scheme plus free planting of Market Street as agreed due to the problems with this years arrangements.

Christmas Lights: increased to £13,894 to mirror this years scheme. In view of the need to reduce expenditure to achieve a reasonable Precept for 2010/11 it was decided not to implement the Creative Kids competition in 2010.

Cemetery Expenditure: all budgets as proposed by the Finance Sub-Committee discussed and agreed. **It was agreed that the Cemetery Superintendent would be provided with a copy of the new Cemetery budgets for the start of the new financial year.**

Cemetery Lodge Rent: to be left at £3,068 until Rykneld Homes increase is known.

Market Street Toilets: all budgets as proposed by the Finance Sub-Committee discussed and agreed.
