It was confirmed that there had been 15 calls for service and over half of the calls were in relation to several ongoing neighbour disputes. It was noted however that Clay Cross Safer Neighbourhood area had seen a 10% reduction in anti-social behaviour from this time last year and a 13.3% reduction since May 2012.

Other news reported was the recent execution of two successful drug warrants in the area; offenders have been dealt with positively and/or are currently on bail.

Several successful operations are continuing including:

At this point, Councillor Skinner raised speeding traffic and dangerous driving on Coney Green Road, also problems on Mill Lane with cars passing when Clay Cross Town Football Club have a home match - it was confirmed that discussions on this issue have been raised with Derbyshire County Council.
